

## **Sam and Clara Schreiber Chemistry Summer Research Fellowship**

***Award: \$4,000***

The Department of Chemistry is pleased to offer summer research fellowships provided by the Sam and Clara Schreiber Scholarship Fund. This fellowship provides funding for doctoral students to pursue research projects during summer 2018. Funds may only be used as salary support during the period of May 15 to August 15, 2018. Only one doctoral student per research group may apply. Selections will be based on the quality of the proposed research and the student's achievement record. Applications from students who have received this fellowship previously or other fellowships for summer 2018 support will not be eligible. It is anticipated that a total number of five awards will be made.

**Application Deadline: Friday, March 30, 2018**

Please submit the following materials:

- (1) Project description of the proposed research (limited to 1500 words)
- (2) Curriculum Vitae, including a list of publications, presentations, or other scholarly work
- (3) Unofficial Student Transcript
- (4) Supporting letter from your research advisor (to be emailed by the research advisor directly to Dr. Burjor Captain)

All application materials should be sent as a single pdf file via email to [captain@miami.edu](mailto:captain@miami.edu).
